

TOP CORPORATIONS AWARDS LUNCHEON 2024 POST-EVENT RECAP

APR 30

11:00AM - 1:45PM

Emory Conference Center Hotel

LETTER FROM OUR CEO,

ROZ LEWIS

Thank you all for another successful TOP Corporations Awards!

On behalf of GWBC®, I want to extend our heartfelt gratitude for your attendance at our recent awards ceremony. Your presence and support were instrumental in making the event a resounding success. Every year I'm amazed by the dedication and excitement you all bring to this event. It means everything to me and my team!

As a corporation that prioritizes diversity, equity and inclusion, your commitment to supporting WBEs has not gone unnoticed, especially in this ever-changing world where our core values are threatened. Your efforts to welcome everyone to the table are not only commendable but also serve as a beacon of inspiration for others in the industry. From the GWBC team and board of directors, thank you for your continued advocacy and support of our mission and our WBEs!

We are proud to honor corporations like yours who are dedicated to creating a more inclusive and equitable business environment. Your continued support plays a vital role in fostering diversity and empowering women and minority entrepreneurs.

As we celebrate over a decade of hosting this event, we are thrilled to announce that GWBC will be celebrating its 25th anniversary next year. It feels like yesterday when I started this organization with just a dream and dedication and now 25 years later, we have more than 1,327 WBENC certified WBEs generating more than \$11 billion in revenue and employing almost 70,000 employees. Where will we be next year? In five years? The possibilities are endless!

Once again, thank you for your unwavering support. Congratulations on your well-deserved award, and we look forward to many more years of collaboration. Please enjoy viewing these photo highlights from TOP 2024.

LETTER FROM OUR BOARD CHAIR,

PATRICK DIERBERGER

As Roz stated, thank you to every person who attended, participated in and helped facilitate the 2024 TOP Corporations Awards. Your commitment to WBEs sends a powerful message to other corporations to follow suit. In addition, you are leading by example and creating inclusive workplaces where everyone has an equal opportunity to succeed. We applaud your efforts to champion these values within your organization and beyond.

As you know, organizations and nonprofits like GWBC play a critical role in supporting and empowering women and minority-owned businesses. Your sponsorship and support enable us to provide these businesses with the resources, opportunities and connections they need to thrive.

We encourage other corporations to follow your lead and prioritize support for organizations like GWBC that are dedicated to advancing women and minority-owned businesses. Together, we can create a more inclusive and equitable business environment that benefits us all. Becoming a GWBC sponsor allows you to advocate for and connect with WBEs, other corporations and powerful businesspeople across the southeast making a substantial difference in the lives of these entrepreneurs.
